

**VE SERIES**  
**RESTROOMS**  
By American Architectural Millwork

## VE SERIES

Cubiform VE Restrooms offer a washroom experience for high quality commercial applications. Beautifully simple in it's modular design, the Cubiform VE Restroom is unsurpassed in both quality and integrity.

### Configurations & Dimensions

---

#### Overhead Braced

This economical and sturdy mounting style installs just about anywhere. An anodized aluminum anti-grip head rail secures partitions firmly to the walls.

#### Ceiling Hung

When used together with wall-hung fixtures, the entire floor is accessible for efficient cleaning. Structural steel ceiling supports are necessary to assure proper installation.

# Hardware

---

One-piece stainless steel, type 304, with #4 satin finish trim shoes are hemmed top and bottom for rigidity and sleek appearance.

Heavy-duty 5/16" diameter mounting studs adjust height and level pilasters by turning the locknut adjusters.

For use with stainless steel shoe.

Rugged, attractive wrap-around hinge. Extra strong for heavy-duty installations.

Special driver installs fasteners which virtually eliminates unauthorized removal and ensures easy installation.

## Warranty

---

The following AAM products are warranted to be free from defects in workmanship and material under normal usage from the date of purchase for the periods set forth below. (Rust and discoloration to stainless steel parts resulting from exposure to harsh environmental and/or chemical conditions are not considered to be defects in workmanship or material and there is no expressed or implied warranty for such condition.)

The following toilet partition panels, doors and stiles are warranted against breakage, corrosion, delaminating and defects in workmanship from the date of purchase for the periods set forth (this limited warranty is conditioned on the toilet partitions being properly installed, used and serviced).
